10 APRIL 2022

CAN YOUR SCHOOL HELP?

The nation's biggest environmental campaign, the Great British Spring Clean, encourages everyone to get involved in improving our environment.

Ways your school could help:

- Organise a school litter pick for your students or encourage them to attend one of our Litter Roadshow events
- Invite officers from Dover District Council's Environmental Crime Team to provide an educational talk or school assembly on the topic of litter
- Encourage your students to enter our "Do the Right Thing" litter artwork competition to feature on our rubbish and recycling vehicles
- Apply for Dover District Council's new Environmental Awards Scheme

WHY SHOULD WE GET INVOLVED?

- To work with our next generation to tackle climate change
- Raise awareness of the little things we can all do to make a big impact. Remember One Bag of litter picked can make a Big Difference!
- The winner of our “Do the Right Thing” litter artwork competition will have their design displayed on some of our refuse and recycling vehicles
- Litter picking helps our physical and mental health too
